FRIDAY
JUNE 19, 1953

André Marie was unsuccessf[illegible] last night in the investiture vote.

Nancy White came in this morning with a sanguine drawing of George Washington and an[illegible] entertaining Abyssinian primitive of big game hunting which she had kindly brought me from the flea market. We had discussed them the other day when she and Teddy lunched with us. I was delighted with them both and bought them, one for 4,500 francs and the other for 13,000 francs.

I had a haircut and took the afternoon train to Brussels, where I spent the night at the Hotel Metropole.
